The email title is "Invitation for Participation in WORKSHOP for Students- HR MEETS EXCEL at PDIMTR". The sender is Muktai Deb (muktaideb@gmail.com), dated Wednesday, February 10, 9:17 AM. The email body contains the following text:

Dear Sir/Madam,
Dr. Panjabaro Deshmukh Institute of management technology and Research was established in 1980. The institute is a part of the legacy of Dr. Panjabrao Deshmukh's- Shri Shivaji Education Society. The institute from its inception has believed that student development is integral for development of society. Carrying forward that mission and with an objective of giving students an opportunity to hone their analytical skills and encourage them to undertake various research based activities, PDIMTR has developed domain specific cells (Human Resource, Marketing, Finance, Operations) and is organizing a One day event "HR Meets Excel" on 24th February 2021 for UG and PG students .
The main objective of the event is to develop employability skills. Even though students complete the MSCIT course and are tech savvy they are not able to operate EXCEL with ease which is required in the organizations for doing the routine work. This 3 hours workshop will help students to develop the basic skills and pave the way for future development.
Registration charges are 50 Rs for the 1 day event. We urge you to send in maximum participation from your college (UG & PG). The students will be required to work on their laptops/desktops during the workshop. A Certificate will be issued after completion of both the sessions successfully.
