Lesson Plan
B. Com. Ist Year (Ist Semester)
Subject: Commercial Firms (Theory)

Teacher name: Prof. Unnati Gandhi

July 2023-October 2023

Lesson Plan: Commercial Firms (B.Com 1st Semester)

This 12-week course introduces students to commercial firms, their types, formation, management, and regulatory frameworks. It begins with an overview of their role in the economy, followed by detailed discussions on **firm types** (sole proprietorship, partnership, LLCs, corporations, cooperatives) and the **formation process**, including legal requirements and registration.

Key topics include **financing of firms** (equity, debt, and venture capital), **management principles** (organizational structures and decision-making), and **regulatory compliance** (taxation, corporate governance, and labor laws). The course concludes by addressing modern challenges like globalization, technology, and sustainability.

Interactive lectures, case studies, group activities, and role plays ensure active student engagement. Assessments include participation, quizzes, assignments, and exams to solidify understanding. By the end of the semester, students will have a foundational understanding of commercial firms and their operations in the business world.

Teaching Plan

1. Commercial Firms

Objective: To introduce students to various types of commercial firms, their formation, management, and legal frameworks.

Weekly Breakdown:
