(57) Abstract :

The embodiments herein provide a mobile integrated Reverse Osmosis (RO) filtration system 100. The integrated RO filtration system 100 includes a pump 104 for receiving water from a container 102 and for pumping the water towards a membrane unit 114. Further, the integrated RO filtration system 100 includes the membrane unit 114 for filtering the water and for releasing the filtered water into the container 102.

Activity Report	
Academic Year	2023-24
Name of the Activity	Expert Talk on National Education Policy (NEP) 2020: The Higher Education Perspective in collaboration with Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur.
Date of the Activity	28 th July' 2023
Organized by	Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur.
Objective	To create awareness about the NEP 2020 and its importance in shaping the future of higher education & to disseminate information and engage in meaningful discussions about the NEP 2020, thus creating awareness and building a sense of ownership and accountability towards the policy.
Brief Report	The Expert Talk was organized by in collaboration with Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur. The NEP 2020 also emphasizes the development of critical thinking and problem-solving skills, which are essential for the 21st-century workforce. With the introduction of a multidisciplinary approach in higher education, students will have the freedom to choose from a wide range of subjects and customize their curriculum according to their career aspirations. This will enable students to acquire a broad and holistic understanding of different subjects and develop a well-rounded skill set.
Outcome	The Talk demonstrated the introduction of a new four-year undergraduate program with multiple exit options. This will bring flexibility to the system, allowing students to choose their course duration based on their interests and goals. This move not only aligns with international standards but also addresses the issue of unemployment among graduates, as it provides opportunities for internships, research projects, and other hands-on learning experiences. The number of participants was 50.

Activity Report	
Academic Year	2023-24
Name of the Activity	One Day National Symposium on NEP Global Perspective for HEI
Date of the Activity	16 th December' 2023.
Organized by	Manthan for Academics- A Government Initiative
Objective	To create a dialogue among educators, policymakers, and stakeholders in the education sector about the potential of the NEP to make India a global leader in education. The symposium will serve as a platform to understand and analyze the key components of the NEP, such as the emphasis on skill-based learning, integration of technology, and promoting research and innovation. These components are essential for preparing students for the global job market, which is increasingly competitive and driven by technology and innovation.
Brief Report	The One Day National Symposium on NEP Global Perspective for HEI has a multidimensional objective to critically examine the NEP and its potential impact on the global higher education scene. It seeks to promote inclusive, equitable, and quality education in India by identifying the challenges, discussing potential solutions, and fostering collaborations among various stakeholders. The symposium aims to contribute to the ongoing dialogue on NEP by providing valuable insights and recommendations for the effective implementation of the policy for the betterment of Indian higher education institutions.
Outcome	Call for action, urging HEI leaders to take proactive steps in implementing the NEP and collaborate with each other to create a robust and inclusive education system. It was unanimously agreed that the NEP has the potential to transform the Indian education landscape, and HEIs must play a crucial role in realizing its goals. With a greater focus on internationalization, research, and innovation, and community engagement, HEIs can prepare students to become globally competent, socially responsible, and future leaders. The One Day National Symposium on NEP Global Perspective for HEI Leaders was a significant step towards making this vision a reality. The number of participants was 5 MBA Faculty members.
