Activity Report	
Academic Year	2023-24
Name of the Activity	Expert Talk on National Education Policy (NEP) 2020: The Higher Education Perspective in collaboration with Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur.
Date of the Activity	28 th July' 2023
Organized by	Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur.
Objective	To create awareness about the NEP 2020 and its importance in shaping the future of higher education & to disseminate information and engage in meaningful discussions about the NEP 2020, thus creating awareness and building a sense of ownership and accountability towards the policy.
Brief Report	The Expert Talk was organized by in collaboration with Late Nirdhanrao Patil Waghaye Arts, Commerce & Science College, Andhalgaon & DNC, Nagpur. The NEP 2020 also emphasizes the development of critical thinking and problem-solving skills, which are essential for the 21st-century workforce. With the introduction of a multidisciplinary approach in higher education, students will have the freedom to choose from a wide range of subjects and customize their curriculum according to their career aspirations. This will enable students to acquire a broad and holistic understanding of different subjects and develop a well-rounded skill set.
Outcome	The Talk demonstrated the introduction of a new four-year undergraduate program with multiple exit options. This will bring flexibility to the system, allowing students to choose their course duration based on their interests and goals. This move not only aligns with international standards but also addresses the issue of unemployment among graduates, as it provides opportunities for internships, research projects, and other hands-on learning experiences. The number of participants was 50.

2024

Dr. Panjabrao Deshmukh Sports Academy, Department of Physical Education and Sports, Dhanwate National College, Nagpur, with its rich tradition since its inception in 1935, has excelled in various sports disciplines. The academy provides modern sports facilities including an indoor stadium constructed in 2016, catering to sports such as badminton, table tennis, gymnasium, chess, cricket, and football. With approximately 500 players receiving training daily, the academy has been instrumental in nurturing sports talent and organizing the Dr. Panjabrao Deshmukh Sports Festival since 2000.

Desiring to strengthen and develop future cooperation between the Parties in the field of sports and oral health on the basis of reciprocity and mutual benefits for the Parties.

Being Convinced that effective cooperation is in the interests of the Parties and believing that such cooperation would serve their common interests and contribute to the enhancement of sports, oral health, and social development of athletes and people.

AIM OF MOU

The primary aim of this memorandum of understanding is the exchange of sports and oral health knowledge, information, and facilities to promote sports talent and to prevent and manage oral risk factors affecting athletes' health. Additionally, it aims to address the relationship between oral health and systemic health in sports, facilitate research collaboration, and exchange available resources through collaborative efforts to enhance the quality of sports performance.

OBJECTIVES

These objectives will be achieved through various activities conducted on both campuses. Both institutions agree to:

1. Mutually exchange expertise in sports-related activities and oral health pertaining to sports.
2. Utilize training facilities for screening, identifying, and educating sports teachers, athletes, and their parents about oral health risk factors specific to athletics.
3. Provide timely support for the management of sports-related traumatic dental injuries among athletes.
4. Execute faculty and student exchange programs for mutual benefit and sharing of knowledge.

Memorandum of Understanding (MoU)

Between

Dhanwate National College, India.

Congress Nagar, Nagpur, Maharashtra, India 440 012

(Herewith referred to as DNC) And

GTC German Tours & Conference, Germany

Hamburgsfeld, 1021394 Westergellersen, Hamburg, Berlin.

(Herewith referred to as GTC)

(With reference to the meeting held at Dhanwate National College, Nagpur on the 1st of March 2024.)

Introduction

This MEMORANDUM OF UNDERSTANDING is written in the spirit of promoting international friendship and understanding by stimulating and supporting international activities and projects with emphasis on internationalization of higher education.

In order to strengthen DNC's interests in teaching and research, and as a contribution to more internationality, DNC and GTC have concluded the following MEMORANDUM OF UNDERSTANDING (MOU). This MOU is based on the principles of equality and reciprocity and serves as a basis for co-operation between the two parties.

The parties acknowledge their mission to protect and realize scientific freedom, to contribute to the shaping of a peaceful and humane world, to foster the right to education, to promote gender equality, and to honor cultural diversity.

This MOU is based on the principles of equality and reciprocity and serves as a basis for co-operation between the two parties.

GTC – full-service provider:

As a global full-service cross industry provider, GTC apply its deep-running interdisciplinary, collaborative advisory and fulfilment capabilities to change DNC fortunes for the better and - on top of that - add value, quality and focus to the affiliated institutes.

GTC takes a holistic approach, because the goal is synergy effects and thus advantages for DNC such as sustainability and cost efficiency. GTC guarantees this through a uniform creative process and error-free project management. For this reason, GTC offers an integrated service portfolio for all the areas mentioned.

GTC develops concepts for both universities and industrial companies.

GTC employees have an extensive wealth of experience and know excellent universities and extraordinary locations in all regions of Germany and Europe.

GTC will develop customized and optimally fitting programmes in close cooperation with DNC. In doing so, GTC will act to the best of its knowledge and always work towards a perfect result. GTC has professional staff on hand at every point of the project.

GTC has carried out many such projects in the past and has experience in this area. In terms of reliability, GTC will ensure a professional execution of the projects. GTC will guarantee the benefit for DNC through quality.

DNC will develop holistic approach and cooperation with GTC and will provide support for various educational and academic programmes in Nagpur and Maharashtra state. DNC ensure effective communication and coordination with GTC for mutule benefits.

Purpose:

1. DNC and GTC intend to carry out projects together. The cooperation is to be based on partnership and trust.
2. With this Memorandum of Understanding, the parties express their intention to facilitate the development of technical and educational co-operation between DNC and German universities and institutes, to promote progress in teaching and research and to improve educational and cultural understanding between all parties involved.
3. In order to strengthen DNC's interests in teaching and research, and as a contribution to more internationality, DNC and GTC have concluded the following MEMORANDUM OF UNDERSTANDING {MOU}. This MOU is based on the principles of equality and reciprocity and serves as a basis for co-operation between the two parties.
4. With the help of the projects in Germany/Europe, DNC's global competences are to be promoted. The purpose is instilling values among students and teachers.

Intended areas of cooperation / project list:

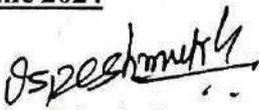

In order to expand international relations and exchanges with science and engineering universities in Germany and Europe, the GTC organizes the desired project from the following project list exclusively for DNC and affiliated institutes. The specific project name will be determined on a case-by-case basis.

1. University visits and exchange program
2. Industrial visit
3. International conference
4. Conferences and congresses in all areas of natural sciences and engineering from the perspective of lifelong learning
5. Faculty/academics exchange program
6. Student exchange program
7. Seminar and symposium program
8. Research collaboration
9. Educational tour
10. Additional sightseeing tour
11. Additional service for certificates and publication of papers & presentations in relevant international journals

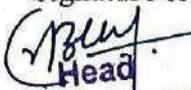

Terms and conditions

1. In order to ensure the professional implementation of the project, GTC will take over all individual services for the realisation. This allows DNC to concentrate on the actual scientific work in the respective project.
2. An individual, all-encompassing contract is concluded for each individual project.
3. GTC will help DNC to obtain financial support from the European Union's funding programme.
4. Provided that the project is carried out professionally, GTC will always offer the most favourable prices.
5. Both the parties agree to cooperate with the spirit of mutual understanding and goodwill to strengthen their ties and sign the MoU for the period of next five years.
